

IS MADE A CITIZEN
AS U. S. BARS WIFE

Women and Children Held for Deportation Because of Defective Passports.

The United States last Wednesday conferred full citizenship upon Hirsch Menkes, but is holding his wife, Chaya, and her two children, David, fifteen, and Freiga, eleven, for deportation. This unusual tangle is the result of conflicting immigration rules. Menkes, through his attorney, Alexander I. Rorke, of No. 51

Chambers Street, has sworn out a writ of habeas corpus, which is now before the courts. Under one Federal law any citizen of the United States can claim his wife; another provides that immigrants entering on alleged defective passports shall be deported. These laws are in conflict in the Menkes case. A solution is expected to-day or tomorrow.

Menkes, his son William, twenty-two, and his daughters Mary and Dora, now married in this country, have lived in this country since 1912. The European war broke out before his wife and the other two children could follow.

PTOMAIN POISON
WRONG DIAGNOSIS

Coal Gas and Not Canned Spinach Made these Four People Ill.

The record of the East 104th Street Police Station blotter showing that four persons were removed to Bellevue Hospital on March 15 from No. 215 East 98th Street, suffering from ptomaine poisoning after having eaten canned spinach, has been found to be erroneous. The patients were removed to Metropolitan Hospital and there entered as ptomaine patients, but a diagnosis of their cases disclosed that they were suffering from coal gas poisoning, and an analysis of the contents remaining in the can of spinach from which they had eaten proved that it contained no deleterious matter.

Deputy Medical Superintendent Thompson of Metropolitan Hospital said that the initial wrong diagnosis resulted from a "blunder by an inexperienced intern."

American Prunes For the Germans.
SALZM, Ore., April 5.—A prune shipment, believed to be the biggest fruit shipment ever sent from the Northwest, will leave Portland this month for Germany. It comprises 1,450,000 pounds of Italian prune grown in Oregon and Washington.

ACQUIT ONE IN HOLD-UP CASE

Two Port Chester Men Plead Guilty—Fourth To Be Tried.

Frank Smith of Port Chester, one of four men indicted for attempted highway robbery, was acquitted by a jury in County Court at White Plains before Judge Young.

Clarence Seaman and Walter Hoe, both of Port Chester, pleaded guilty and were used by Assistant District Attorney Arthur Howard as witnesses for the State. Joseph Allaguer, the fourth man, pleaded not guilty, and he will be tried next.

The four attempted to hold up William Hunter of Armonk. It was alleged, but were frightened off.
